Scarff's Guarantee

We guarantee all Nursery Stock to be true to name, in good planting condition, up to grade and specifications.

The growth of plants and trees is largely dependent upon the conditions of planting, weather, and after care beyond the Nurserymen's control.

(1) Dormant Bare Root Nursery Stock. We will guarantee that if properly planted, and cared for it will establish itself and start satisfactory growth; otherwise, full replacement will be made if notified before June 15th of the first growing season. Further reports the same season will be replaced at one half price.

(2) Evergreens are guaranteed to establish themselves and start satisfactory growth within 30 days from the date of purchase. Later reports the same season will be replaced at one half purchase price.

(3) Potted and Canned Plants are growing and thus do not require further guarantee.

(4) Living Christmas Trees (B&B). Full instructions and guarantee furnished with each tree.

Scarff's Nursery Incorporated will not be liable under any circumstances for more than the original purchase price.

Container Plants

Your Assurance of Growth Without the Shock of Transplanting.

Plant Throughout The Summer

Thousands of container grown plants are on display at the Nursery Center. These are priced depending on the size and variety of the plant. You will be pleasantly surprised how reasonable and how desirable they are. Planted in Scarff's Special Soil Mixture to give you a most vigorous growth.

Compare Scarff's Evergreen prices and quality with any other source.

All Evergreens are heavy, field-grown specimens, fresh dug and in perfect planting condition to give you better results in landscape planting—and are guaranteed as such.

Prices on all Ball and Burlap Evergreens are F.O.B. Nursery. When shipment is to be made, add 75¢ per tree to cover packing charges.
